DAISY DAY EXERCISES

Celebration of June Class Unique and Most Enjoyable.

[Special to The Times-Dispatch.]
FARMVILLE, VA., June 5.—The Daisy Day exercises of the June class of 1907 took place on the campus at half-past 9 o'clock yesterday morning. Forty-two young ladies, daintily dressed in white, were in line for the drill. Half of them carried large hoops of daisies, the class flower, over their shoulders, while the other half carried banners in the class colors, gold letters on a ground of white. These added greatly to the picturesque effect of the pretty military manoeuvres, and the graceful fancy figures. The different movements were interspersed with class songs, "Sweet Bunch of Daisies," "Sweeter Than All the Joys of Life" and "Where Are Now the Merry Classmates?" Both the trainer, Miss Hills, and the young ladies of the class are to be congratulated upon the beautiful effect. Miss Alberta Waterbury played the marches for the drill.

The Alumnae Association met in the auditorium at half-past 10 o'clock with Mrs. Jean Carruthers Boatwright, president, in the chair. After the welcome address by President Jarman, the business of the session was taken up.

Program for Various Events Leading Up to Closing Exercises Last Night Attractive.

[Special to The Times-Dispatch.]
HOLLINS INSTITUTE, VA., June 5.—Class Day exercises of Hollins Institute were held Monday at noon, and a great concourse of people were present to enjoy the history, prophecy and last will and testament of the class of 1907. At 3 P. M. there was an open meeting of the literary societies, addressed by Dr. George H. Denny, of Washington and Lee University. The music for the occasion was rendered by the Hollins Orchestra.

At 10 P. M. the great dining hall was thrown open to the alumnae banquet. Mrs. Thomas P. Bagby, of West Point, president, and Judge William Gordon Robertson, of Roanoke, made the address of the evening. A great many of the old Hollins girls graced the occasion with their presence. The decorations of roses, carnations and palms and ferns beggar description, and the menu was unsurpassed, not to mention the "feast of reason and flow of soul" that continued past midnight.

Tuesday at 10 o'clock there was a delivery of certificates of distinction to pupils and the announcement of the scholarship medalist to Miss Lucy Goode Puryear, of Orange county, daughter of Professor Bennett Puryear. Miss Pur-

What Quality Means

Among the best beers, the differences are not largely due to materials. 'Twould be folly to skim there.

Most differences in taste are due to the skill, or the lack of skill, in the brewing. And to the yeast.

But quality refers, above all, to the purity. Pure beer has no germs in it, and it does not cause biliousness. It is not only good, but good for you.

Purity is rare because it is costly. And because its lack is not easily noticed. But in Schlitz beer it is the first requirement.

We spend more to attain it than on any other cost of our brewing.

Ask for the Brewery Bottling.

Common beer is sometimes substituted for Schlitz.

The following officers were re-elected for the next two years: Mrs. Jean Carruthers Boatwright, class of 1886, president; Miss Isa Compton, 1906, vice-president; Mrs. Josie Winston Woodson, 1888, secretary and treasurer.

The next matter of business to come up was the disposition of the Cunningham Memorial Fund.

At the meeting of the association last year, the Normal League was requested, with only one dissenting vote, to take charge of the fund for a while, using it as they saw fit in assisting in the work of educating needy girls, the fund, however, remaining under its own name, and being handled quite separately from the Normal League fund. Some protest was made later by some originators of the fund, who were not present at the meeting, consequently the league refused to accept the offer made by the association. It was therefore necessary to take some steps at this meeting toward the final disposition of the fund. The following resolution, written by Mrs. Fannie Littleton Kline, not present at the meeting, was adopted:

1. Be it resolved that a committee be appointed to which the final disposal of the Cunningham Memorial Fund, be intrusted, said committee to consider plans proposed by any member of the association, but to make their decision at their own discretion not later than September 1, 1907.

2. That the said committee shall consist of five members. (1) The president of the association and three members appointed by the president, with the following qualifications: (a) a member of the present board of trustees of the State Female Normal School of Virginia, who was also a member of the board during Dr. Cunningham's administration; (2) a member of the Alumnae Association who has shown her interest by a contribution to the fund; (3) some teacher or ex-teacher who is a member of the alumnae and was also a member of the faculty of the school during Dr. Cunningham's administration; (4) a fifth member to be chosen by the four

JUSTICE BREWER AT OLD TRINITY

Great Crowd Attends to Hear Able Discussion of "Final Triumph of Justice."

[Special to The Times-Dispatch.]
DURHAM, N. C., June 5.—Commencement with Trinity College to-day proved of much interest and was the largest and the greatest day. The attendance to hear the commencement address by Mr. Justice David J. Brewer, of the United States Supreme Court, was a record-breaker, and many distinguished visitors from all parts of the State were present. Mr. Justice Brewer's subject was the "Final Triumph of Justice." He has figured prominently in national affairs for several years, and the people were anxious to hear him speak. His address was equal to their expectations. Immediately following that address the degree of bachelor of arts was conferred upon 47 diploma graduates, and five post-graduates took master of arts. At 4 o'clock this afternoon the class of '07 gathered in front of the Washington Duke Building, where they presented the class memorial a granite tablet. This was presented in a short speech by John Hutchinson, president of the class, and in line with the usual custom a response in acceptance was made by President Kille. At sunset the class flag, which has floated on the campus for the past year, was lowered and placed in the museum with the relics of the class, where they will remain until a reunion of '07. The final occasion of possibly the most successful commencement in the history of the college was the reception to-night in honor the graduating class.

BETHEL ACADEMY.

Final Ball Great Success and Largely Attended—Delivery of Medal.

[Special to The Times-Dispatch.]
WARRENTON, VA., June 5.—The annual Bethel Military Academy took place to-day.

Commencing Monday night with an alumni ball the week has been one

round of gayeties, and the final ball to-night was the most brilliant social affair in the history of this old and well-known institution. The alumni reunion far exceeded the most sanguine expectations, and there are old students from nearly every State in the Union.

The alumni banquet Tuesday night was given at the Warren Green Hotel, and covers were laid for several hundred. Colonel Robert A. McIntyre, the former superintendent of Bethel Military Academy, was toastmaster.

To-day's exercises commenced with an invocation by Rev. Mr. Keene, of the Methodist Church, after which the distinctions were delivered by the superintendent, Colonel W. M. Kemper. Colonel McIntyre presented the academic medals and also introduced the orator of the day, Mr. Robert I. Fulton, of Kansas City, Captain E. Beverly Slater, of Company C, Seventy-second Virginia Infantry, presented the military medals and commissions to the officers and the competition drill closed the exercises of the day.

WOMAN MAKES ALUMNI ADDRESS

For the First Time in History of Elon College an Alumna Was Orator.

[Special to The Times-Dispatch.]
ELON COLLEGE, N. C., June 5.—The third day of the seventeenth annual commencement of Elon College was a busy one. Exercises began at 11:30 A. M. with sermon by Rev. Dr. John L. White, of Atlanta.

At 3 P. M. a great throng heard a recital of the location department, Miss Anna Hoffmann, director. At 4:30 P. M. the alumni association met and elected G. F. Whitley, Esq., Smithfield, as orator for next year. With Professor D. J. Sip, Waverly, Va., alternate. Professor W. P. Lawrence was re-elected president, and Miss Jennie Herndon, Greensboro, secretary. The association decided to take steps to publish a college magazine to be called *Elonian*. At 8 P. M. for the first time in the history of the college a lady delivered the alumni address. It was by Miss Bessie Staley, A. B., class of 1898, Raleigh, N. C.

President Moffitt gracefully presided as toastmaster, the following speakers responding to toasts most felicitously: President, Dr. W. W. Staley. We believe that any man who really desires to be cured of the liquor habit can cure himself by using Orin. This remarkable discovery has made so many cures among our customers that we are glad to sell it under an absolute guarantee to refund the money if it does not cure.

It is in two forms—No. 1 that can be given secretly, and No. 2 for those who wish to be cured. It is not only the most reliable treatment known, but it is also the most economical, as it costs only \$1 a box, and there is no detention from the usual duties while it cures. It is not affected, there is no expense whatever. Mail Orders fill. The Orin Co., Washington, D. C., or Felt-Miller Drug Co.

LIVES OF NORFOLK PEOPLE IN DANGER

Jefferson Young, Speaking Before Stationary Engineers, Says Houses May Be Blown Up.

TO PROSECUTE GAMBLERS

Commonwealth's Attorney Tilton Has Prominent Men Summoned as Witnesses.

[Special to The Times-Dispatch.]
NORFOLK, VA., June 5.—Bearing on the speech made before the stationary engineers at their meeting last night, in which Jefferson Young declared that the lives of occupants of numerous public buildings and apartment houses in Norfolk were in jeopardy by reason of the employment of incompetent, unlicensed stationary engineers, Building Inspector Holland said that the plea being made by the engineers for a law by which all stationary engineers shall pass an examination and be licensed by the State is a just one, and that the engineers are right in their contention.

Mr. Holland said, however, that there need be no great alarm among the occupants of the apartments and other building in Norfolk, as most of the heating systems are self-feeding, and that there is practically no danger.

The inspector said further that there are plants in town employing negroes who probably know little about an engine and might cause an explosion any time by failing to keep water in the boilers.

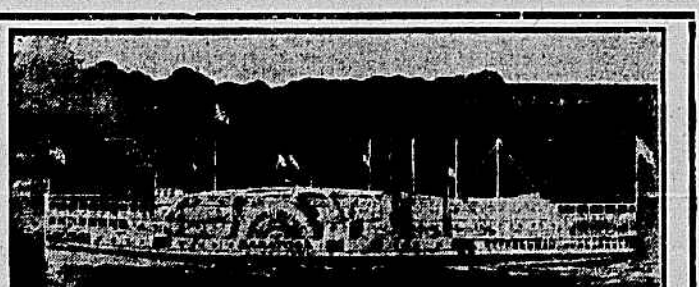

Summon Prominent Men.

Commonwealth's Attorney Tilton had summonses issued to-day for Messrs. C. Koch, G. Engel, R. L. Albano, J. P. M. Joyce and Fred Bonney to appear in the Corporation Court next Monday in the case against Robert Taylor and Jesse Clements for running a gambling room on Roanoke Avenue. When asked what the purpose was Mr. Tilton replied:

"The gentlemen summoned are all reputable business men, whose places of business are adjacent to this gambling house, and they can give, I think, information of value to the State. Taylor and Clements are going to have the warmest summer they have had in years. Anybody who has any idea of gambling in their rooms had better arrange for a bondman before they start to play, because they are liable to need him. Just keep your eye on this place—something will be doing every minute shortly."

Jacob Bowley Resigns.

[Special to The Times-Dispatch.]
BRISTOL, VA., June 5.—Jacob Bowley to-day announced his resignation as assistant vice-president and assistant general manager of the Virginia Iron, Coal and Coke Company and of the Virginia and Southwestern Railway, to take effect July 1st. He will enter the coal business. Nothing has been given out as to who will succeed him.

as a blood purifier. Many people, especially those whose work confines them indoors, suffer from impure blood. It takes many forms; eczema, scrofula, pimples, sallow complexion, itching, sores, anaemia (poor watery blood) are all a sign that your blood is in an unhealthy condition. The life of the body depends upon rich, pure blood, and the only way to become strong and well is to get at the root of the disease and remove the cause. Dr. Edwards' Compound Dandelion Pills are prepared from a famous old prescription. They contain nothing but vegetable matter and are unequalled as a remedy for the cure of all blood diseases.
